

DR. RAJA ALI HASSAN

General Practitioner

About Me

To provide comprehensive and compassionate medical care as a General Practitioner, utilizing my skills, knowledge, and experience to diagnose and treat a wide range of medical conditions, promote preventive healthcare practices, and foster long-term patient relationships for optimal health outcomes.

Experience

Specialized Healthcare & Medical Education Department

Location Pakistan
Position **GENERAL PRACTITIONER**
Year 2021 - PRESENT

Primary & Secondary Healthcare

Location Pakistan
Position **GENERAL PRACTITIONER**
Year 2017 - 2021

Own Private Clinic in evening

Location Pakistan
Position **GENERAL PRACTITIONER**
Year 2016 - present

Mayo Teaching Hospital

Location Pakistan
Position **HOUSE JOB**
Year Jan 2015 - Jan 2016

More than **08 years** of experience as a **General Practitioner**.

Responsibilities and Duties :

- **Diagnosis and Treatment:** Evaluate symptoms, order and interpret diagnostic tests (e.g., blood work, imaging), and formulate diagnoses. Develop and implement treatment plans, which may include prescribing medications, performing minor surgical procedures, or referring patients to specialists when necessary.
- **Disease Prevention and Health Promotion:** Educate patients on preventive measures to maintain good health, such as immunizations, lifestyle modifications, and screenings.
- **Chronic Disease Management:** Monitor and manage patients with chronic conditions like diabetes, hypertension, asthma, or arthritis. Provide ongoing support, medication management, and lifestyle guidance to optimize their health and prevent complications.
- **Emergency Care:** Assess and stabilize patients in emergency situations until more specialized care is available. Basic life support, wound management, and initial management of acute conditions fall under this responsibility.
